Summary: Okay, there's a post on tumblr that shows that Waluigi is basically a fusion between Sportacus and Robbie from Lazy Town I love how perfect it all is, so I wrote a little bit of the Sportarobbie AU (there NEEDS to be an animation of this...only question is who would Jasper be?)

Sportarobbie x Steven Universe

Stephanie wandered around the big ship, hearing beautiful singing. She followed it and waited for the villains to leave. Once they did, Stephanie quietly went up the one singing, who wore blue clothes and goggles and had a very thin mustache.

"Hey, I like your song...are you Sportacus?"

"You escapedâ€|" Stephanie stuck her hand through the yellow force field, showing Sportacus how she escaped,

"Of courseâ€|" Stephanie went between the force field and lifted her arms up so Sportacus could get through.

"Thank you, Stephanie." Stephanie went out of the force field as she said cheerfully

"You're welcome~"

"SPORTACUS!" A cry came from the distance.

"Come on." Sportacus said as he grabbed Stephanie's hand as the two ran super fast towards the voice. They stopped and saw a man wearing purple with Elvis Presley hair and thick, black eyebrows.

"Robbie!" Sportacus cried as the two ran towards each other and hung on to one another desperately.

"Did they hurt you?" Robbie asked.

"No, no. I'm okay. Did they hurt you?"

"Who cares?!"

"I do!" Sportacus kissed Robbie on the forehead as he picked him up and swung him around, the two lovers happy that they were back together. Although, they started to glow and form into a new form. To Stephanie's astonishment, the two fused into a tall, skinny, man with a thin black mustache, wearing a purple shirt and dark blue overalls. It was Waluigi. He laughed with glee and smiled happily at Stephanie.

"Eh, Stephanie! Thank wah!"

"Waluigi! You're a fusion!?"

"E-eh, I'm sorry, we didn't want wah meeting this here like this."

"Well, did I make a good first impression?" Stephanie asked with a hopeful smile.

"Eh Stephanie, we already love wah."
